

REGIONAL FINANCE AND OPERATIONS MANAGER/BUSINESS MANAGER MEETINGS - FY2025

Finance and Operations Managers/Business Manager meetings are held in each region. These meetings are opportunities to connect with other financial leaders in your region for support, learning best practices, sharing information and networking. Collectively you provide resources and information that can help each other in your ministry and professional development. Meetings will be held as hybrids – some will be in person -- some will be virtual. The liaison for each region will determine that.
