How COVID-19 is Spread

On October 5, 2020, CDC issued updated guidance to its [How it Spreads website](#), which includes information about the potential for airborne spread of the virus that causes COVID-19. What does this mean for your operations? [Read more...](#)

Cold Weather Preparation

COVID-19 has put a strain on staff and resources, to put it mildly. Although your staff may be stretched thin, please ensure that facility personnel set time aside to prepare your buildings and grounds now for the cold weather ahead. [Read more...](#)

Flu Prevention: Time to Get Vaccinated

Getting a flu vaccine is more important than ever this season for two reasons: to protect yourself and the people around you from flu, and to help reduce the strain on healthcare systems responding to the COVID-19 pandemic. [Read more...](#)

FEMA PUBLIC ASSISTANCE PROGRAM

If you'd like to participate in the FEMA reimbursement program, there is still time.

In March, FEMA announced they would provide funding to eligible applicants for costs related to emergency protective measures conducted as a result of the COVID-19 pandemic. [Read more...](#)
