

FREE PARISHSOFT TRAINING

On-Line Training sessions will provide instruction on using ParishSOFT web based software for keeping track of parishioners' data, sacramental information, religious education, offering and volunteer's schedules.

You can sign up for any of the following reasons

- Already transitioned but want more **training**
- Want to learn about ParishSOFT before you convert your data from another application program

If your parish doesn't have ParishSOFT and has multiple databases such as Excel, Access or other software, please contact Karina, Parish IT Services Consultant, you can reach her by email: salas_k@rcab.org or call her at 781-664-7434

Location:

Training Sessions will be on-line using Microsoft Teams
