

## Alert Regarding W-2 Phishing Scam

The Archdiocese of Boston IT Department has received word of multiple bad actors using email to target employees by asking them to click on a link to obtain their W-2 forms for 2020. None of the RCAB PrimePay divisions opted into electronic delivery of W-2 forms, **so no forms are being emailed to employees (or to payroll contacts/administrators) by PrimePay or the RCAB.**

Note that W-2 forms are available on PrimePay Employee Self-Service, but employees will need to set up their own credentials for that system and would not be solicited to do so unless the payroll contact/administrator for that location initiates the ESS setup. Please contact Risk Management using the online form below and/or RCAB IT ([ithelp@rcab.org](mailto:ithelp@rcab.org)) if you or your employees have clicked on one of these links. If you receive an email along these lines, delete it immediately without clicking any links or opening any attachments.
