Dear Faith Formation Leaders,

Thank you for all of your responses and interest in the upcoming online Safe Environment programming. The Child Advocacy office will be offering the attached 1.5 hour sessions throughout the month of April coinciding with Child Abuse Prevention month, and will be using the Child Protection/2nd Step curriculum.

As indicated in the original notice, this opportunity is for those who have not been able to include Safe Environment/Child Protection in their programming during this difficult year.

Each child should be signed up for one session only. There are 2 grade groupings: **grades 1, 2 + 3 together** - and **grades 4 + 5 together**. There are 4 different options from which to choose for each grade group.

A Faith Formation leader or teacher will need to be present on-line for any session where students from your parish are participating, and an adult will have to assist the child at home to sign in to the session.

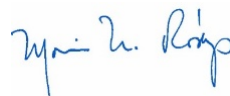

Each parish is responsible for tracking attendance of their students, and as always to provide an Opt-Out packet to parents who choose to decline to have their children participate. If you have any questions, please email Kristen Gotter at kgotter@rcab.org.

Please share the schedule information found on the second page with your families so that they can join the live sessions on their appropriate day/time.

In gratitude for all you have done during this most challenging year,

Vivian Soper, LICSW
Dir. of Pastoral Support & Child Protection

Moise M. Rodrigues
Child Protection Specialist
