Working Through the Pandemic

COVID-19 pandemic restrictions are beginning to lift, but in many cases there is still a need for some parish and school staff to work remotely. Please take the proper precautions to protect sensitive personal and financial data when working from home. [Read more...](#)

Reopening Buildings

As states begin to loosen pandemic restrictions, churches, schools, parish offices and social service centers will begin to return to “normal” capacity operation. Certain precautions must be taken to insure that the environment is safe and healthy. [Read more...](#)

Spring Cleaning

Winter can take a toll on buildings and grounds. Before the warm weather arrives, it's important to assess the damages and make the necessary repairs to ensure safe grounds for the warm months ahead. [Read more...](#)

ITHIRST Spiritual Companionship Training

Will you answer the call to be a beacon of hope to those suffering from addiction? The Cardinal's Opioid Task Force is offering a 9-week iTHIRST Spiritual Companionship Certification course beginning April 12.
