The Mystery of the Church in the Mirror of the Liturgy

Saturday, April 10
9:30 AM

The Second Vatican Council proclaimed that the liturgy is the source and summit of the Church's life (Sacrosanctum Concilium, 10). This lecture will explore what the liturgy is and how it illuminates the mystery of our identity as members of the Mystical Body of Christ. We will undertake this study with a view towards helping others enter more deeply into the Holy Sacrifice of the Mass.
