

We are so grateful to have holy priests, high school and college/university chaplains, campus ministers, vocation promoters, and others like yourself to inspire vocations to the priesthood through their words, example, and invitation to the Vocation Office events.

This year we are increasing and diversifying our activities in order to engage men of various age groups and levels of seriousness in discernment. Full descriptions will be appearing soon on our website ([VocationsBoston.org](http://VocationsBoston.org)), but please know that you can always reach out to Fr. Michael Zimmerman ([mzimmerman@rcab.org](mailto:mzimmerman@rcab.org), 781-343-1975 cell) or myself ([ecadin@rcab.org](mailto:ecadin@rcab.org), 617-840-1418 cell) for more information on any particular event.
