Heal our Common Home and Respond to the Cry of the Poor

Join us for a special VIRTUAL Workshop: Guided by the Spirit and the “[Laudato Si Action Platform](#)” we journey towards greater love for our Creator, each other, and the Common Home we share.

Learn: **WHAT** is the Laudato Si' Action Platform? **WHY** is the Pope calling us to participate? **HOW** can we implement it and **WHO** is already enrolled?

Hear from leading national speakers and local parishes who will present examples of ACTIONS you can take, as well as resources and collaboration opportunities. No matter where you or your parish are in your Laudato Si' journey, we have much to share. More details on the program at <https://tinyurl.com/Home-3-12-22>
