

A newsletter for parishes and schools of the Archdiocese of Boston Office of Risk Management designed to increase risk management awareness and safety.

Parish Safety Concerns

In light of recent mass shootings, the Department of Homeland Security has issued a National Terrorism Advisory System (NTAS) Bulletin regarding the continued heightened threat environment across the United States.

[Read more...](#)

Preventing Vandalism

2021 saw a rise in acts of vandalism targeting houses of worship. Please take measures to prevent vandalism, and be mindful of what to do if it occurs. [Read more...](#)

Creating an Emergency Go Bag

If you had to leave your home or office in a hurry, whether due to a natural disaster or a trip to the ER, how prepared would you be? Consider creating an emergency "go bag" so that you are always prepared. [Read more...](#)

Parish Safety Webinar and Active Shooter Response Training

The Office of Risk Management is offering virtual and hands-on parish safety and active shooter response training sessions. [Read more...](#)
