

Dear Pastors, Administrators, and Business Managers,

We remain grateful for your assistance in helping to care for our priests by supporting and promoting our special collections in your parish. Your help is invaluable to ensuring these collections are a success and we are so appreciative of all you do.

Experience has shown that the greatest response to Clergy Trust collections comes when a direct appeal is made from the altar in the weeks leading up to the collection and donation envelopes are available in the pews. These strategies are more important now than ever, especially as we are seeing a decrease in parish collection trends post-pandemic. **If your parish has used its full supply of collection envelopes, simply contact the Clergy Trust office by emailing clergytrust@rcab.org or calling (617)746-5725 and we will ship additional envelopes immediately.**

As always, thank you for all you do to support these collections, which benefit the health and wellness of all of our priests in good standing. We will be in touch with all of the materials and resources you will need to promote the Christmas collection towards the end of November.

With gratitude,
Your Clergy Trust Team
